Module 2

ezFedGrants Overview

Module 2 – ezFedGrants Overview Objectives

After completing this module, you should be able to:

- Explain the functionality, goals and benefits of ezFedGrants.
- Provide an overview of ezFedGrants.

What is ezFedGrants?

USDA Agency Users

**Grants and Agreements
Partners**

Benefits of Using ezFedGrants

-  Accurate data tracking of agreements, amendments, and claims
-  Reduces the time required for grant-related operations associated with approvals and claims
-  Allows for the standardization of grant execution and management
-  Speeds up agreement processing through electronic form submittal and approval
-  Acts as a platform where USDA Agency users and Agreement Partners can communicate
-  Allows for easy access to the ezFedGrants Helpdesk
-  Decreases manual entry, reducing errors

Grants Management Lifecycle

- eFG supports the full grants management lifecycle.
- This includes:
 - Searching for opportunities
 - Creating and submitting applications to opportunities
 - Managing agreements, including amendments
 - Submitting claims and reports
 - Closing out agreements

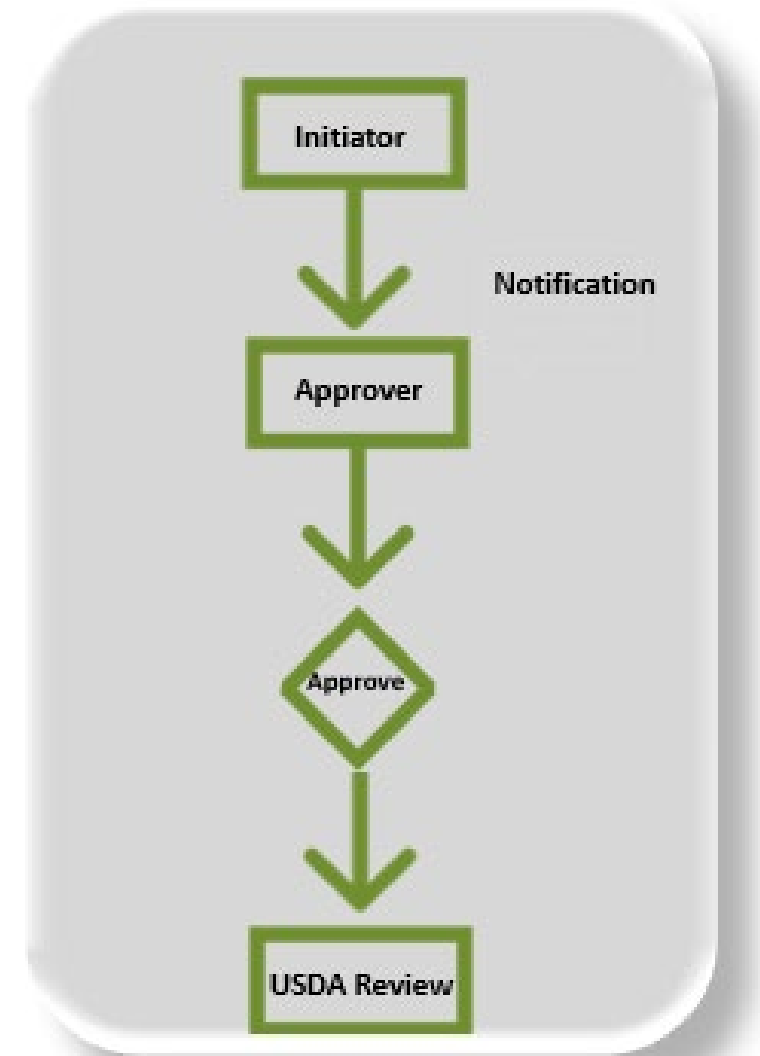

Approval Workflows and Notifications

- ezFedGrants uses workflow functionality to streamline the approval process.
- Workflow automatically sends an email and Portal notification to users within the approval process.
- The system sends notifications to the next assigned user within the recipient organization or USDA agency.

Opportunities

- Notice of Funding Opportunity Announcements (referred to as **NOFO** or **Opportunities**).
- They publicly announce the availability of certain types of agreements between USDA agencies/offices and external organizations.
- Opportunities are published by USDA agency staff in either the External Portal or on Grants.gov.
- Once an Opportunity is published, any external organization that would like to be considered for funding applies using either ezFedGrants External Portal or Grants.gov.

Applications

- Applications are based on opportunities published by USDA agencies.
- Application forms are built into the ezFedGrants system for electronic submission.
- Standard Form-424 (SF-424) is an application used by federal agencies for grant applications.
- The SF-424A Budget Information - Non-construction Programs form is also available to complete in the system.

Claims Processing

- ezFedGrants supports the claim process.
- This includes creation, review, and approval of claim requests using funds from grant agreements.
- Advance claim and repayment requests are not supported in ezFedGrants and should be requested directly through the awarding agency.

Progress Reports

- ezFedGrants supports the submission of performance and financial progress reports.
- Report requirements and deadlines are specified in the Agreement.
- Recipients are automatically notified within the **Actionable Items** section on the **Home** screen when a report is due.
- Property reports are not supported in ezFedGrants, and instructions should be requested directly through the awarding agency.

Summary: Module 2 – ezFedGrants Overview

You should now be able to:

- Provide an overview of ezFedGrants.
- Explain the functionality, goals and benefits of ezFedGrants.

Module 3

ezFedGrants External Portal

Module 3 – ezFedGrants External Portal Objectives

After completing this module, you should be able to:

- Explain how to navigate within the eFG External Portal.

ezFedGrants External Portal Home Page Dashboard

The screenshot shows the ezFedGrants External Portal Home Page Dashboard. The interface includes a blue header bar with the USDA logo and 'egFedGrants' text on the left, and a green 'Header' callout box on the right containing the user name 'Test Tester 3'. Below the header is a 'Home' section with a left-hand 'Navigation Menu' (highlighted with a red box) listing various menu items such as Home, Opportunities, Applications, Agreements, Amendments, Claims, Reports, Work Item Reassignment, Work and User Reports, Manage Permissions, Contact USDA, and Training/Guidance. The main content area features a 'News and Notes' section with a red box highlighting a 'Test External' entry dated '11/17/22 6:12 PM'. Below this is a 'Work Area' section with a green callout box, containing a list of expandable menu items: Actionable Items, My Agreements, Notifications, Applications under Review, Amendments under Review, and Claims under Review.
