We have gone back to the original way of conducting the Spot Sale:

- Doors open at 9AM
- You have an hour to browse and place your bids
- We collect the bids, tally up the winners, and announce winnings to those who are present and call the winners who may have left
- Whatever is left over (after initial bids are awarded) can be sold on a first come, first served basis
- Payment is expected the same day
- Due to the size of the sales and patronage, we typically allow as many pickups as possible the same day and continue pickups/loading the following day

All items are based on availability and are subject to change.
